HANDS-ON EXPERIENCE FOR EARLY STAGE ENTREPRENEURS - 1 SEMESTER

Do you have a business idea, or have detected a problem worth solving in a business scale?

Xiji is the leading incubator bridging Spain, LatAm, and European tech startups with China.

We are the only incubator offering a 1-semester world-class entrepreneurial program that brings international founders to Shanghai. From developing their idea, to the prototype, to customers and beyond, we assist with hands-on guidance, support, and the most privileged network to our startups.

Our secret sauce...

Guidance

The Seed Program: our key to success. A 16-module program based on the Lean Startup method, allows founders to validate their value proposition, reach their customers, build and test their MVP, and launch a solution in the fast-paced Shanghai ecosystem.

Network

With more than 100 experienced mentors from different verticals, more than 3000 contacts in our network in Spain and China, and more than 50 corporate partners, we provide our entrepreneurs with a key network to develop a global impact.

Support

We provide our entrepreneurs with legal resources, business vital coaching, 1:1 mentoring, and facilities-based services such as office space, among others. A unique set of resources to help them meet Shanghai's entrepreneurial challenge.

Program requirements

Prepare your business idea or problem statement in a 3-page document, and describe your motivation in a cover letter. Ensure that your entrepreneurial spirit shines through

Participants must enroll in the Expert Course "Open Innovation & Entrepreneurship in Asia" (18 ECTS) at Universidad Politécnica de Madrid
