

Dear Sir or Madam,

EUROCONTROL is an international organisation committed to supporting European aviation, and we are pleased to announce the availability of **paid traineeships** beginning in **April 2025**. We are actively seeking talented students and recent graduates to join our team.

We offer **six-month paid traineeship** positions across six diverse domains:

- Air Traffic Management and Data
- IT & Digital Innovation
- Communications
- Economics and Financial Management
- Legal and Regulatory Affairs
- Human Resources and Administration

These traineeships will be based at our locations in Brussels, Paris, Luxembourg, or Maastricht, providing an excellent opportunity for students seeking international experience or for recent graduates keen to work abroad.

The **application deadline** for our traineeship programme is **1 December 2024**.

Applications can be submitted through our website: <https://jobs.eurocontrol.int/traineeship-opportunities/>

Further information about our traineeship programme is available here:

<https://www.eurocontrol.int/careers#traineeship>

We would greatly appreciate your assistance in sharing this traineeship programme with your students. If they have any questions, they are welcome to contact us directly at traineeship@eurocontrol.int.

Thank you for your support, and we look forward to collaborating with your institution to provide valuable career opportunities for your students.
