**Erasmus+**

Greetings from the VILNIUS TECH Antanas Gustaitis' Aviation Institute (AGAI), Lithuania!

## ✓STUDY OR ✓TEACH IN VILNIUS!

Antanas Gustaitis' Aviation Institute is aiming to prepare highly qualified professionals in the fields of aeronautical, electrical, mechanical engineering and electronics.

## ✓UNIVERSITY OFFERS A DORMITORY ON SAULĖTEKIS CAMPUS.

**1080** international students  
from 80 countries.

**530** courses  
in English.

**550** EUR/month should cover  
living costs in Vilnius.

Our priorities are:

- Hands-on projects;
- Makers' culture;
- research for a sustainable future;
- improving UAVs;
- Nanosatellites;
- Aerospace.

**INSPIRE YOURSELF.  
EXPLORE. GROW.  
LET'S MEET IN  
VILNIUS AT #AGAI!**
