

Antwerp Summer and Winter University

Greetings from Belgium! We are delighted to announce that the first programmes that will be organised in **2024** are now **open for applications**.

In February, we will host **five winter schools** covering varying topics such as **Diamonds**, **Leadership in Law**, **Design**, **Feminism and Motherhood** and **Electrocatalysis**.

For summer 2024, we can already confirm diverse and interdisciplinary programmes on **Children's Literature**, **Vaccinology**, **Trust and Public Governance** and **Social City Design**.

We'll stay in touch because in February 2024, the full summer programme of 20 new and returning programmes will be launched.
